## LOCAL PROJECTS

In addition to the independent businesses, there is a great range of independent projects and groups in SploTT that deserve their share of the spotlight.

Here's a handy list:

### SPLOTT COMMUNITY VOLUNTEERS

# WELCOME

**This free map of independents in SploTT is designed to help drive footfall to our local highstreets and boost our local economy.**

There is a wonderful array of independent shops and services in SploTT that we could all make more use of. Sometimes, it seems easier to hop in the car and head to the supermarket, but you may be surprised at how much is on offer right on your doorstep.

If we don't use them, we'll lose them, so please think twice next time you pick up the car keys or go to arrange that online delivery.

Really sorry for any omissions in the map.

If you would like your business to feature in the next #ShopSploTT map, please get in touch - [hello@inksplott.co.uk](mailto:hello@inksplott.co.uk)
